

Yang Li

+86 15865959816

202421349@mail.sdu.edu.cn

Date and place of birth: April 6, 1999; Shandong, China

Nationality: Chinese

Languages: Chinese, English

Gender: Male

Affiliation: Research Center for Mathematics and Interdisciplinary Sciences, Shandong University

Education

- **Southern University of Science and Technology, Shenzhen, Guangdong** *09/2017–06/2021*
  Bachelor's degree in Financial Mathematics
- **Shandong University, Qingdao, Shandong** *09/2021–06/2024*
  Master's degree in Mathematics. Advisor: Zhicong Lin
- **Shandong University, Qingdao, Shandong** *09/2024–present*
  Ph.D. student in Mathematics. Advisor: Zhicong Lin

Graduate Courses

- Enumerative Combinatorics, Symmetric Functions, Representation Theory, Hyperplane Arrangements, Algebraic Topology

Research Interests

- **Combinatorics:** Generating functions, combinatorial statistics, combinatorial bijections, permutations, and lattice paths, with a particular interest in tree structures.

Selected Publications and Preprints

- W. Fang, **Y. Li**, and Z. Lin, Symmetries on vector parking functions via bounded lattice paths, preprint, arXiv:2610.05665 (2026).
- **Y. Li**, S. Kitaev, Z. Lin, and J. Liu, A bijection between 321- and 213-avoiding permutations preserving t-stack-sortability, *Annals of Combinatorics*, accepted for publication (arXiv:2507.09187).
- **Y. Li** and Z. Lin, Bijections in weakly increasing trees via binary trees, *Discrete Mathematics*, **348** (2025), Article 114632.
- S. Chen, **Y. Li**, Z. Lin, and S. H. F. Yan, Bijections around Springer numbers, *Discrete Mathematics*, **348** (2025), Article 114570.
- **Y. Li**, Z. Lin, and T. Zhao, Two involutions on binary trees and generalizations, *Advances in Applied Mathematics*, **156** (2024), Article 102677.
- **Y. Li** and Z. Lin, A symmetry on parking functions via Dyck paths, *Discrete Mathematics*, **346** (2023), Article 113426.

Conferences Attended

- The 11th Conference on Combinatorics and Graph Theory, Qingdao, Sep. 19–22, 2024
- The 7th Conference on Combinatorial Mathematics and Symbolic Computation, Shijiazhuang, Oct. 18–20, 2024
- The 20th Annual Conference of the China Society for Industrial and Applied Mathematics, online, Oct. 23–26, 2022 (gave a talk)

Honors and Awards

- First-Class Academic Scholarship, Shandong University, 2026, 2025, and 2022
- Outstanding Graduate, Shandong University, 2024
- Chinese National Scholarship for Graduate Students, 2023

Skills

- **Software:** Java, Python, Maple, SQL, LaTeX
